

IMPACT STORIES

SAMANTHA BEATTIE

Shifter, aged 19

I go to He Huarahi Tamariki in Tawa, Linden. I have a two-year-old son named Kymani Isaiah. I love sports and getting involved in doing fun things. My passion is to become a youth aid officer for the police.

HOW DID YOU HEAR ABOUT SHIFT?

I go to a teen parent unit in Tawa and Shift have been coming out to visit on a Friday for the last couple of years. We do cool stuff, like boxing, games, make food, and netball! In August, we travel to compete in a North Island netball tournament.

Shift helps us with trainings, transport and some other costs.

HOW HAVE YOU BENEFITED?

I have learnt a lot about being a leader and being healthy within myself.

"I love how Shift gets involved and supports us and I just love their vibes!"
